

# IMBOLC

## The Deep Awakening

February 2

The Celebration of Imbolc is of the deep Awakening.  
The light is increasing,  
The bulbs are swelling and being pulled up to the sun through the earth.

It is a powerful time for new beginnings.

We celebrate with planting bulbs with intentions!  
( Many traditions plant trees, this is yummy, too :)

Imbolc shares the day with it's totem animal ... the groundhog.
