

A collage of ritual objects including candles, incense burners, and a hand writing on a scroll. The background is a soft, light-colored collage of various ritual items. At the top center is a dark, textured circle containing the word 'NEW'. Below it, the word 'Ritual' is written in a large, elegant, black serif font. The rest of the page contains a list of steps for a New Moon intention ritual, each centered and separated by a faint, large, light-colored word 'INTENTION' in the background. The steps are: 'Writing out your New Moon Intention', 'Opening sacred space', 'Smudging,', 'Writing out the goal for the lunar cycle ahead.', 'Blessing it with the power four elements.', 'Gratefullness.', and 'Closing sacred space.'
